LISTE DE SOUHAITS / INVITATIONS PRIVILEGE ET GOLD

LISTE DE SOUHAITS

In order for our event to be your event, it is important for us to know your exact wishes in terms of guest profiles. Your sales representatives have certainly already identified companies and/or prospects that they wish to approach and that you would like to meet in Marseille.

To get as close as possible to these profiles and to solicit them for the event, we invite you to send us your "Wish List" in Excel format - with Name, First Name, Position, Company and Email ideally.

You can also simply tell us the type of profile you are looking for, or the criteria you are interested in. Our Guest Experience team will do the necessary research. We cannot guarantee the presence of all the profiles but you will be able to check at any time with your commercial contact on the recruited profiles.

GOLD INVITATION

Four Gold Invitations dedicated to your most important European clients are included in your stand package.

With a Gold Invitation they benefit from complimentary return travel, 1-night accommodation and shuttle services to/from Station / Airport – Marseille (one person per company only).

Please do send the contact details of your 4 Gold Invitation Guests (in an Excel spreadsheet or email) so our Guest Experience team can invite them for you.

CONDITIONS OF VALIDITY

- Your guests may not, under any circumstances, use the Privilege or Gold Invitations to offer their services, products, etc. Any commercial canvassing is strictly forbidden.
- Your prospects benefiting from a Gold Invitation will have to register on the registration **platform before September 14, 2022** to be able to benefit from the organisation's coverage of their round-trip travel as well as their transfers from the train station to the airport and back to the Palais du Pharo.

and/or

- By sending us your prospect file by email or via a secure file transfer service so that we can contact/recall your guests on your behalf if you are short of time. Do not hesitate to contact the Organising Committee if necessary.

CONTENT AVAILABLE TO YOUR GUESTS

- Complimentary access to the event including conferences, workshops and One to One meetings
- Access to the online catalogue and the partners' listing
- A personalized meetings schedule
- The Meetings Guide including the partners listing and allowing you to take note
- Invitation to the evening networking cocktail

The organisation committee has chosen to give you an unlimited number of Privilege Invitations and 4 Gold Invitations allowing you on the one hand to communicate on your participation in the event, and on the other hand, to invite prospects who would like to meet you at **Top Transport Europe**.

- **The Privilege Invitations are unlimited.** Your prospects are taken care of for 1 or 2 nights depending on their attendance time, even if they are 2 participants from the same company with one or more common project(s).
- **The Gold Invitations are limited to 4 invitations for your most important prospects regardless of their origin in Europe.** They benefit from the same advantage as the Privilege Invitations concerning their accommodation and our organisation takes in addition its load (for only one representative in the case of files with 2 participants of the same company) their round-trip travel as well as their transfers Station / Airport / Palais du Pharo Round-trip.

HOW TO USE THEM ?

PARTICIPATION PACKAGES TO COMMUNICATE TO YOUR PROSPECTS:

To guarantee a better management of your guests, your prospects will have to select one or several "Participation Package" corresponding to their participation :

- My GOLD participation (1st participant)
- My PRIVILEGE participation (1st participant)
- Additional PRIVILEGE participant with accommodation
- Additional PRIVILEGE participant without accommodation

REMINDER OF THE CONTENT ACCESSED BY EACH OF YOUR GUESTS:

- Privileged access to Top Transport Europe
- Access to the online catalog of exhibitors/partners
- Personalized meeting schedule
- Notebook with exhibitors' names
- Full access to conferences and expert workshops
- Accommodation in a *** hotel for 1 or 2 nights
- Access to lunches, permanent coffee break and cocktail reception

Please note : no matter the number of your prospects registering for the event, **it won't be charged to your company**

For info, for decision-makers who register in the traditional way (excluding Privilege/Gold Invitations):

- The participation formula is offered to the 1st participant of a registration whether he/she needs accommodation or not,
- The participation formula is paying (250 € HT) for the 2nd participant of the same company having one or several common project(s) only if a coverage of his accommodation by the organisation is necessary.

We would like to draw your attention to the fact that these invitations represent a real financial burden for our organisation (hotel reservations, meals, etc.).

This is why, once their registration has been validated by us, your guests will have to commit to **attending the conferences and expert workshops for which they have registered**, to making **a minimum of 5 meetings** with exhibitors/partners, and to finding a replacement in the event of a last minute absence.

Do not hesitate to contact us should you require any further information.

ONE TO ONE MEETINGS

I M P O R T A N T

It is critical that you strictly follow your meetings schedule to ensure the event run smoothly and to avoid any time conflict.

The organisers are here to help answer any question you may have during the event. Please note that you will be able to plan meetings even while at the event through our matchmaking platform.

The One to One meetings aim at offering participants the opportunity to build and strengthen trade relationships through a planned meetings schedule and informal meetings.

Unlike traditional trade event, we know where to find a delegates according to the meetings they have planned, should you wish to meet at specific person during TTE.

Do not hesitate to come and see us at the reception. We will tell you :

- either the number of the stand where the person you are looking for is located,
- or we will introduce you directly to him/her because we are able to identify and locate your contact person quickly.

YOUR AGENDA

Your appointment calendar will be online on 16 September. It is likely to evolve until the D-day of the event and will be permanently consultable from your personal space where you will be able to visualize all your appointments in real time. We recommend that you enter and validate your cell phone number so that you can receive any notification related to your agenda (new appointment, cancellation...) and thus have an updated version of your appointments.

MY AGENDA HAS AVAILABLE TIME SLOTS

Your agenda will be set up **exclusively on a reciprocal basis**.

Your appointment requests will have to be validated by the shippers in order for an appointment to be scheduled, and you will also have to accept or decline the requests you receive in order for them to be taken into account.

If you do not have an appointment with a charger who has accepted your request or whose request you have accepted, it is because his or her agenda is full and no joint time slot is available. From then on, you can use the online platform to send him a message and/or make a new appointment request. You can also come and ask us at the reception desk and we will tell you the number of the booth where the person you are looking for is located or we will introduce you to them directly.

PERFORMANCE OBLIGATION

We recommend requesting at least 30 meetings to maximise the number of meetings planned on your agenda.

You can decline up to 3 Guest demands, otherwise the performance obligation on which we guarantee a minimum of 8 meetings can no longer be met.

COMPANY « X » IS LATE FOR OUR APPOINTMENT AND DIDN'T SHOW UP AT OUR BOOTH

There may be a number of reasons for this:

- the person came to your stand while you were still in a meeting
- the person has not arrived yet (transportation delay for example)
- the person is still in a meeting
- the person is absent and cancelled his/her participation at the last minute.

If a meeting is running late, do not hesitate to come and check at the reception desk.
